KATA PENGANTAR

Penyusunan Peta Proses Bisnis dimaksudkan sebagai acuan bagi setiap instansi pemerintah untuk melakukan penataan ketatalaksanaan di lingkungan instansi pemerintah khususnya di Politeknik Negeri Bandung guna melaksanakan visi, misi, tujuan, dan strategi organisasi, sebagaimana yang tertuang dalam Peraturan Menteri Pendayagunaan Aparatur Negara dan Reformasi Birokrasi Republik Indonesia Nomor 19 Tahun 2018 tentang Penyusunan Peta Proses Bisnis Instansi Pemerintah.

Penataan ketatalaksanaan merupakan salah satu area perubahan dalam reformasi birokrasi Politeknik Negeri Bandung untuk mewujudkan organisasi instansi pemerintah yang tepat fungsi, tepat ukuran, dan tepat proses.

Selain itu Peta Proses Bisnis POLBAN bertujuan agar Politeknik Negeri Bandung mampu melaksanakan tugas dan fungsi secara efektif dan efisien sebagai institusi pendidikan bidang vokasi, serta dapat dengan mudah mengomunikasikan baik kepada pihak internal (mahasiswa, tenaga pendidik dan tenaga kependidikan) maupun pihak eksternal (orang tua mahasiswa, pengguna lulusan, dan mitra kerja lainnya) mengenai proses bisnis yang dilakukan untuk mencapai visi, misi, dan tujuan.
