

ISSAT

International Seminar of Science and Applied Technology

Theme: Applied Research for Sustainable Development

The International Seminar of Science and Applied Technology (ISSAT) is organized by Politeknik Negeri Bandung (Polban) to build a culture of international seminars and publications in the field of applied science and technology. The keynote speakers not only had international publication achievements, but also had industrialization experience from the results of research conducted in the engineering and non-engineering fields. ISSAT invites governments, academics, practitioners and industry to talk together in an effort to implement 4.0 Industry.
